Smart Scale Lockers
Our Adjustable Locker with precise weight-based sensing technology

Our Smart Scale Locker keeps items secure without the need to manually track each item. Simply access the machine, take what you need and let the scale do all the work - it's the new way for fast and accurate inventory.

Options	• Badge Reader (Bar Code ID Scanner; PROX Card Reader; Magnetic Strip Card Reader depending on your interface system) • Custom Graphics • Shipping • Installation • 10.1" Touch Screen • UVend Technology				

Stand Alone Smart Scale Locker

Satellite Smart Scale Locker
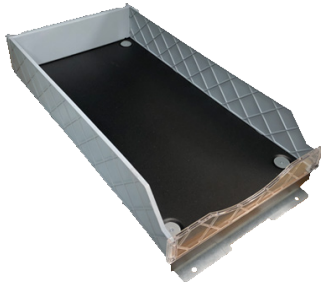

IDS Smart Scale Lockers monitors how much inventory is available by tracking dispensing through precise weight-sensing technology. Powerful iQ Technology software uses this data from the Smart Scale Lockers to streamline material purchasing and replenishment when inventory reaches below a certain level.

iQ Technology
INTELLIGENT SOFTWARE FOR THE INNOVATIVE BUSINESS
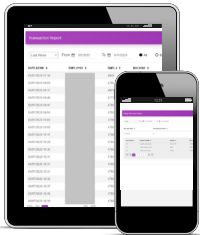

Easily Track Usage & Inventory

With iQ Technology, you have real-time data of who took it, where it was used, and when it was returned. Reduce inventory hoarding and overuse, and shrinkage, while analyzing usage to maximize inventory availability.
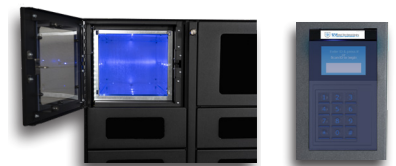

UVend Technology
UVC LIGHT SANITIZATION

Kill or inactivate up to 99.9% of viruses and bacteria with UVC light sanitization technology. (Optional)

VEND SAFETY
CONTROLLED DISPENSING
